

To be there one minute and back the next. That is all the X-Men witnessed when young X-Man Eva Bell disappeared. Only Eva wasn't the young girl that was there a minute ago. No, she had aged a lot. Marvel Comics, Brian Michael Bendis, and Andrea Sorrentino are going to bring the tale of Eva Bell in the upcoming UNCANNY X-MEN ANNUAL #1. Check out the press release and images below on the upcoming new story...
