

The DC-nU has finished it's run of introductory issues. These were billed as "jumping on points" for the new teams and new interpretations of the characters. The broad strokes of the rebooted DC Universe have been brushed in, new plots set up, much of the world re-imagined. Some of the books have been great, and

**Read more:** <http://acomicbookblog.com/2011/11/one-long-term-fans-reaction-to-the-dcnu-so-far/>
